The Director has asked me to convey to you his thanks for
the fine job of traffic handling which you and your men did in connection?

we were concerned that the route to the site from Chain Bridge and over Route 123 to the Fairfax County Line would become heavily congested. However, traffic flowed smoothly through this area in spice of the exceptionally great number of cars. This attests to the excellent job of traffic handling which you and your men supplied, and we are most
